SEX OFFENDER DISCLOSURE AND ACKNOWLEDGEMENT
--

Attach to application for military, government-managed and privatized housing

I, (print name) _____, have read and understand the policy. By signing this document, I certify under a penalty of perjury that neither I nor any person living in my household is a registered sex offender or required to register as a sex offender. I understand I am required to notify the installation housing office immediately if circumstances change so that this certification is no longer true. I understand the policies, procedures and consequences below apply to those persons who will reside with me, all of whom are listed on the DD Form 1746, *Application for Assignment to Housing*.

POLICIES

Air Force Installations requires full disclosure from persons applying for military, government-managed or privatized housing who are sex offenders or who intend to have dependents who are sex offenders reside with them.

If you, or an authorized dependent who will reside with you, are found to be registered or are required to register as a sex offender under the laws of any state, you could be denied residency in Air Force military, government-managed and privatized housing.

If you, anyone living in your household or visitor is found to be a sex offender after you take occupancy, you may be subject to eviction and/or barment from the Installation.

Installation Commanders are authorized to approve or disapprove applications from persons for residency in military, government-managed and privatized housing when they or another prospective resident of the home is a sex offender.

PROCEDURES

Applicants who cannot sign this form because they or a dependent who will reside in the home with them is a sex offender will be required to submit written information and documentation, which may include but is not limited to the following, in order to be considered for housing by the Installation Commander:

1. Whether the sex offender is the military member, civilian or dependent
2. Nature and circumstances of the offense
3. Exact criminal statute or law under which the person was convicted
4. State or jurisdiction where the offense occurred and was adjudicated
5. Elapsed time since the offense was committed
6. Age of the offender at the time the offense was committed
7. Age of the victim at the time the offense was committed
8. Evidence that tends to demonstrate offender's rehabilitation, exemplary conduct, or other commitment to obeying the law
9. Whether the conviction requiring registration has been reversed, vacated, or set aside, or if the registrant has been granted unconditional pardon of innocence for the offense requiring registration
10. Conditions of parole/probation or monitoring, if any

CONSEQUENCES

Falsification of this form or any other information pertaining to your criminal history or sexual offenses will result in immediate denial of your application for or retention of military, government-managed or privatized housing.

MACDILL AFB MILITARY HOUSING OFFICE NEW RESIDENT BRIEF

A copy of this brief and the checklist will be provided to you so you can consult it in the future should the need arise.

Introduce MHO team, responsibilities/services, contact information

The Military Housing Office (MHO) is ready to support you in the transition to your new home and community. Please go to <https://www.housing.af.mil/Home/Units/MacDill/> to find additional information regarding Privatized Housing, Unaccompanied Housing (Dorm Living), and Community Housing (off base). You will also find information about the HEAT (Housing Early Assistance Tool) program, Housing contact information, FAQ's, and additional resources. Housing on the installation is limited and extensive wait times can be expected for some of our rank bands and entitlements. You can download the application for housing on MacDill at <https://harborbayatmacdill.com/> and click on the Apply Now. Accurate documentation and providing all application paperwork is imperative to proper eligibility screening by MHO and then will ensure that our privatized housing partner Harbor Bay (HB) can properly place potential residents on the applicable wait list. The most important factor is the effective date you leave your last duty location; this date is what all on base applications are racked and stacked against. Several factors can affect waitlist placement and movement; such as Key and Essential positions, remote credit, hardship, EFMP and medical accommodations. The MHO can provide invaluable relocation assistance on all these programs/requirements and assist in proper application submission. Please make early contact with MHO at 813-828-5404 if there are any questions on the process. Please contact Harbor Bay at 813-840-2600 for estimated wait times once application is processed.

The Military Housing Office (MHO) is the office of primary responsibility for installation housing programs and an advocate on behalf of all military members and families for safe, affordable, and quality housing. We provide local oversight of the privatized housing companies operations on behalf of the Installation Commander and assist in the mediation of complaints by members associated with privatized or community housing. We are the first point of contact for all complaint resolution issues if the project owner is not responsive.

In our oversight role we have inspected the home prior to your lease and will attend the pre-lease walk through with you if requested. We also conduct quality assurance inspections on the privatized owner's activities to include maintenance and leasing operations. If you have questions please feel free to contact us.

Resident Advocate responsibilities/services and contact information

Every Air Force Base with privatized housing has a Tenant Advocate. The resident advocate assists military members and their families residing in privatized housing in developing solutions to unresolved problems, concerns, and needs. They will provide consultation on landlord/tenant rights as contained in laws, privatization agreements, DoD and AF regulations when requested and take a proactive approach to ensure the concerns of military members and their families regarding privatized housing are addressed and elevated to the appropriate levels within the chain of command. The Tenant may seek the assistance of the Resident Advocate at any point during the informal dispute resolution process that is described in the Universal Lease.

Legal Assistance Office role and contact information

The Legal Assistance Office is also available to provide legal advice on landlord/tenant rights and assist in resolving disputes with the Landlord short of actual litigation. The scope of legal services that can be provided by the Legal Assistance Office is further detailed in AFI 51-304 (Legal Assistance, Notary, Preventive Law, and Tax Programs). In addition, the Tenant always has the option to independently hire private legal counsel to provide legal advice on their dispute with the Landlord.

If you are unsatisfied with the level of support provided by the PCM, you may contact the USAF School of Aerospace Medicine Environmental, Safety, and Occupational Health (ESOH) Service Center at 1-888-232-ESOH (3764). Tenant Bill of Rights

Providing our military families with quality, safe and healthy homes and communities is a top Air Force priority. We have worked with the privatized owners to establish a Tenant Bill of Rights that formalizes rights you have as a tenant. Please take a moment and read over these rights. Feel free to ask any questions. Can be viewed/downloaded at <https://www.housing.af.mil/Home/Units/MacDill/>

Tenant Responsibilities

It is not just the Privatized Owner that has obligations, you as a tenant also have certain obligations and responsibilities as a party to the lease. In addition to paying your rent, you are expected to notify maintenance when for anything that breaks in the home, keep the home clean, maintain the grounds around your home, keep walkways clear, and abide by pet and noise policies. You shall be charged for all damage to the premises as a result of failure to report a problem in a timely manner. Additionally, you are not permitted to make alterations to the home without written permission from the privatized owner and are expected to pay for any damages to the home that are not fair wear and tear to include any damages caused by your family, guests or pets. As we go through the lease, we will point out those responsibilities in more detail. Additionally, the leasing team for the privatized housing will provide you a resident's guide outlining these responsibilities.

Dispute Resolution Resources

While we always hope your tour will go without any issues with your landlord, disputes do occur. Our role along with others in the housing delivery team is to resolve these disputes quickly at the lowest level without costly litigation. We have provided a Trifold for you that outlines resources to assist in Informal Dispute Resolution. We expect the vast majority of issues to be resolved this way. However, if you are not satisfied with the result, you can obtain a Request Form for Dispute Resolution Process from the MHO to initiate the Formal Dispute Resolution process in accordance with Schedule 3 of the Universal Lease. This process will involve a physical inspection of your home and will ultimately be decided by the Installation Commander and who will direct remedies to the Tenant or Owner as applicable. Tenants must follow the Informal Dispute Resolution Process in order to be eligible for initiating the Formal Dispute Resolution Process.

Confirm current status and explain Utility Allowance Program

The Utility Allowance Program is designed to ensure tenants of privatized housing pay for their actual usage of utilities. The UA is set based on average consumption of homes with similar characteristics. If you use more than the average consumption of your group, you will be required to pay, if you use less, you will receive a refund. The payments or refunds are always based on your actual usage. Due to concerns over the accuracy of the metering, the program was suspended effective Jan 31, 2020. The goal is to relaunch the UA program by December 21, 2021 and more information will be provided at that time.

Review procedures for submitting work orders

As mentioned earlier it is the lessee's responsibility to call in maintenance issues to 813-840-2000 as soon as the problem is evident. Failure to call could result in member's liability for damages. Please read and understand the Permission to Enter (PTE) form that is included in your lease. The form explains the process for the Project Management maintenance team to enter the home to do repairs etc. You can also input work request electronically through the project owner's on-line portal. That information can be found in your resident's guide.

Review/Discuss any Questions Regarding the project's Standard Military Lease

Leases can be very confusing. They are legal documents and as such are often full of legalese that you may not understand. Please make early contact with MHO at 813-828-5404 if there are any questions on these matters.

Renters Insurance

We highly advise you to obtain renter's insurance. This insurance is fairly cheap, but important to protect you should any damage occur through negligence such as unattended cooking causing a house fire. Policies also generally cover damage to your possessions from acts of God such as tornado's or hurricanes. While the project owner has insurance to cover repairing the premises, they generally do not cover your possessions or damage caused by tenant negligence. Most policies also provide liability insurance should a guest be injured on the property or your pet causes injury. Some policies even cover pet damage to the premises.

Pets

Pets must be approved by the Project Owner and will require a pet addendum. Some breeds may not be permitted in the housing area. If you obtain a pet after lease signing, you must still notify the landlord of the pet and complete the pet addendum. You are responsible for the conduct of your pets and any damage they cause.

Window Fall Prevention

MacDill AFB risk of window falls and window fall prevention measure information is available upon request and will be part of any move in brief with the privatized housing project owner team.

GOVERNMENT PAID MOVES & NON-TEMP STORAGE BRIEFING

Today's dynamic fiscal environment requires us to continuously reassess our ability to fund local moves from the community into privatized housing. There are limited government funds currently available to pay for the movement of household goods from the local community onto the installation; however there is no guarantee funds will be available in the future.

Service members who make the personal choice to apply for and accept privatized housing on the installation should do so fully understanding that government funds may not be available to pay for household goods shipment or fund Non-Temporary Storage when moving into housing.

Service members who are required or directed to reside on the installation for reasons of military necessity (Key and Essential Personnel) will continue to have their household goods moved on base using government funds.

Authorization of these funds can only be approved by the Housing Management Office (HMO) and not Harbor Bay Property Management. Be sure to visit the HMO at 8414 Fortress Drive or call 813-828-5404 if you have any questions or to determine your eligibility.

By signing below I acknowledge that I have been briefed on the funding for local moves and Non-Temporary Storage.
